

WAIKATO WATER JOINT VENTURE PROJECT

Robt. Stone was contracted by Zenon Environmental Inc. to supply the following equipment to the new Submerged Membrane Filtration Plant at Tuakau, for the end user - Watercare Services Limited:

- Stainless Steel Membrane Cassette Frames
- Stainless Steel Air Separation Vessels
- Over 200m of Stainless Steel Pipe Spools

In addition to stainless steel, the scope of supply also included PVC pipe, fittings and degassing cylinders, as well as 360m of hosing.

As part of the same project, we also fabricated the following for Waikato Water Joint Venture:

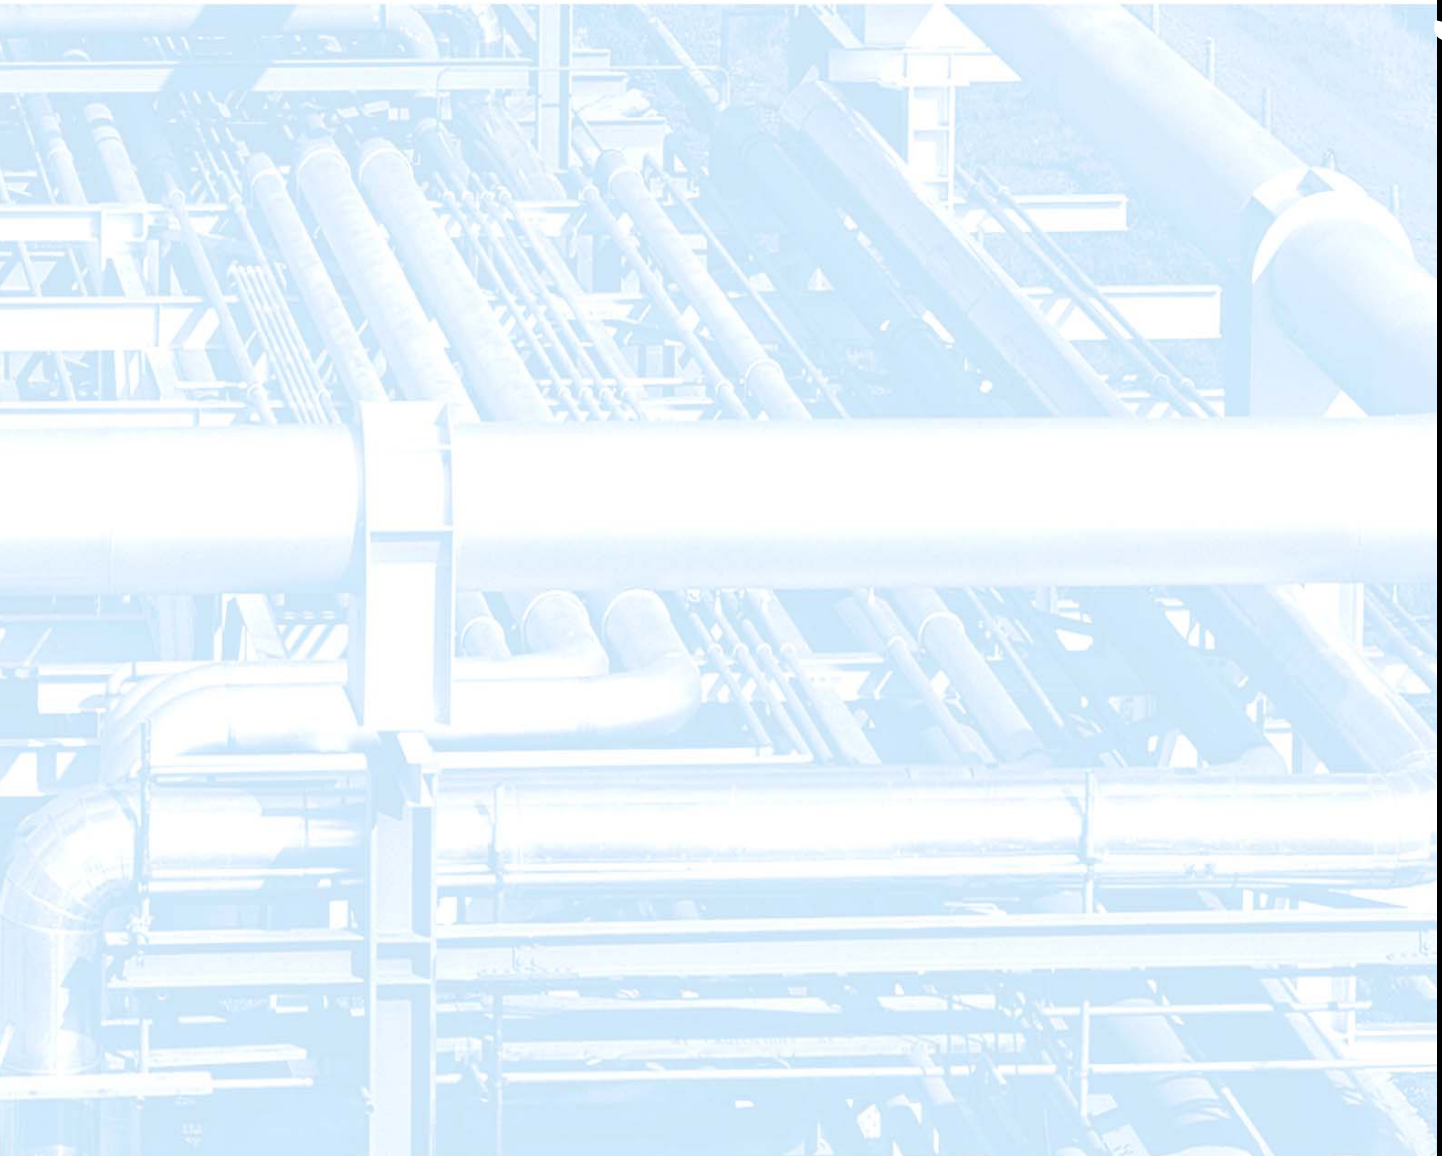

- Treated Water Surge Tank
- Raw Water Surge Tank
- Raw Water Air Receiver
